

Center in the Park Inclement Weather Policy

Center in the Park follows the Public School District of Philadelphia.

- If Philadelphia public schools close due to inclement weather, Center in the Park is closed.
 - If the Public Schools close for 2 consecutive days due to inclement weather, CIP is open for staff on Day 2 and the Leadership Team will determine if CIP will close for participants
- If the Philadelphia public schools call for a “virtual learning day” due to inclement weather, CIP’s building is closed, there will be no onsite classes, and staff will work remotely with a 2-hour grace period. The grace period can be used at any point in the day and the employee must inform the supervisor when in the day they will use it.
 - If the Philadelphia public schools call a virtual day for 2 consecutive days due to weather, staff report to the office on day 2 unless notified otherwise.
